As we approach our final number, your gift to the **Blue & Gold** Fund has the power to...

# THE POWER of YOUR GIFT

...cultivate a love of learning,

open minds to new ideas,

and inspire growth and leadership...

...for Shady Side Academy students and faculty.

### The SSA Alumni Trustee Challenge is back!

The trustees are challenging alumni to raise \$25,000 to shape the future at Shady Side - \$10,000 for faculty support and \$15,000 for the financial aid program. They will match every gift made, doubling its impact! That means we can raise \$50,000 in support of grants for academically qualified students and the teachers who guide and mentor them.

If 250 alumni give \$100 each = \$25,000

Your participation before the  
**JUNE 30**  
deadline makes the difference!
